

UNDERSTANDING YOUR GIVING HISTORY

See your gifts at a glance — and download the statements and receipts you need.

The **Giving History** page brings your philanthropic story together in one place — your giving by year at the top, your transaction details in the middle, and your downloadable **Year End Summary** statements at the bottom.

HOW TO GET THERE

After logging in, select **[Giving History]** from the top navigation bar.

WHAT YOU'LL FIND ON THE GIVING HISTORY PAGE

\$ Giving by Year

The first section on the page — a table showing both your **Legal Credit** and **Total Credit** for each year you've supported the Foundation, with pagination if you have more than five years on record.

Legal Credit: Tax-deductible amount.

Total Credit: Total giving credit from all related entities.

DETAIL TABS — YOUR GIFTS IN DETAIL

Below Giving by Year, switch between the four tabs to drill into different kinds of giving activity.

Note about receipts: Receipts are available for reprint only on tax-deductible transactions, and only for the donor who received legal credit.

■ Giving History

Every gift you've made, with **Gift Date**, **Donor**, **Payment Amount**, **Designation**, **Gift Type**, **Tender Type**, **Receipt Number**, and a **View Receipt** link.

Complete transaction record

✓ Pledges

The status of any pledges you've made — including the original commitment, payments applied, and remaining balance.

■ Recurring Gift

Active recurring donations, including frequency and designation. Existing recurring gifts will appear here after a future migration.

+ Matching Gift

YEAR END SUMMARY

At the bottom of the page, the **Year End Summary** section lists each giving year with your annual total and a **View Statement** link. Statements are available to **download anytime** — no need to wait for the mail.

To find a statement: open the **Giving History** page → scroll to **Year End Summary** → find the year → click **View Statement**.

A NOTE ABOUT RECURRING GIFTS

If you currently have an active, recurring gift(s) with our organization, your recurring donation settings are **not impacted** with the launch of MyAggieland; they will carry over to MyAggieland in a future migration, where you'll be able to view and manage payments going forward. Watch for future communications about the migration of your recurring donations.

We hope MyAggieland provides an improved donor experience and helps you better visualize the personal legacy you're creating in Aggieland. Questions? Contact our team at **MyAggieland@txamfoundation.com**. Thank you for your partnership in building a brighter future for Texas A&M University!

**NOTICE SOMETHING THAT DOESN'T LOOK RIGHT?**
